"Home of the Nitros"

DECEMBER 2018

Christmas Concert

This year's Christmas Concert will be Wednesday, December 19th. We will have one performance at 9:00 a.m. and one at 12:00 noon. Parents can come to whichever time is more convenient. This year's production is "Christmas at Nesbitt"!

Winter Weather is Here!

The weather is changing quickly! Students are reminded to dress according to the weather and to assume they will be outdoors at recesses, unless the temperature becomes unreasonable. If the weather is stormy prior to the start of the school day, please listen to the radio. Every attempt will be made to announce class cancellations on the various radio stations by 7:00 a.m. This information will also be found at www.sssc.ca (the Sudbury Student Services Consortium website). If classes are cancelled, please do not bring your child to school. If schools are open but busses are cancelled and you drop your child off, please remember that you must pick your child up at the end of the school day.

Kids Helping Kids

Our canned food drive will continue until December 18th. The Nesbitt Student Parliament has organized many fun events throughout December. Please see the December calendar for details. Thank you to all the families who are adding a few extra items to their grocery carts each week and sending them to school. The food and funds we raise will help the Sudbury Food Bank to supply food to over 45 programs operated by partnering community service agencies and food pantries throughout the city that serve low income families, senior citizens and other individuals in need. Thank you for your participation in this worthwhile cause.

Kindergarten Information Nights

Kindergarten Information Night will take place Thursday, January 17th from 5:30— 6:30 p.m. We encourage families to register early so that the school can secure staffing this spring, which causes less disruption to classes in the Fall. To be eligible for Kindergarten, a child must be 4 years old by December 31st, 2019. The evening will also include information about French Immersion programming. To register your child at either Ernie Checkeris P.S. or Westmount P.S., please bring your child's proof of age, health card and proof of immunization. If you know of any families in the community who have children eligible for kindergarten, please let them know about these Kindergarten Information Nights.

Winter Clothing Campaign

Thank you to everyone who donated winter coats and accessories for the Winter Clothing Campaign. Cooper Equipment Rentals is the company who organized this campaign. THANK YOU!

Curling at Nesbitt

Many thanks to Frank Brunton and Marg Hardie and Bill Sloan for coaching our Nesbitt Nitros Curling Team!

Our Children Our Future

Our Children Our Future is a non-for-profit organization who offers services and programs to individuals in this community and surrounding areas. This agency recruits “well trained” professionals to empower and support children as well as families to foster a healthy future for our communities. A big piece that OCOF supports is food security to those who may need it. Our Children Our Future has been developing these programs and services in the New Sudbury areas since May. For further information about this organization and all that we do and offer, please contact Chantal at 705-222-1826 ext.267 Thank you!
